### **ARTICLE 4      ASSESSMENTS**

#### Section 4.1 Creation of Association Lien and Personal Obligation to Pay Assessments

Each Owner, by acceptance of a deed for a Lot, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association annual Assessments for Common Expenses, insurance Assessments, and such other Assessments as imposed by the Association. The Association annual Common Expense Assessments and such other Assessments as imposed by the Association, including fees, charges, late fees, attorney fees, fines and interest charged by the Association, and additional fees charged by the managing agent, including but not limited to, administration and witness fees, and/or any other charges that may be assessed and/or levied or may be agreed to in the process of collecting past due Assessments, including but not limited to, credit card convenience fees from whatever source, shall be a charge on each Lot and shall be a continuing lien upon the Lot against which each such Assessment or charge is made. If any Assessment is payable in installments, the full amount of the Assessment is a lien from the time the first installment becomes due. The personal obligation to pay any past due sums due the Association shall not pass to a successor in title unless expressly assumed by them. No Owner may become exempt from liability for payment of the Assessments for Common Expenses by waiver of the use or enjoyment of the Common Area or by abandonment of the Lot against which the Assessments for Common Expenses are made. All Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof, except as provided in this Declaration, shall be permitted by any reason including, without limitation, any claim that the Association or the Board of Directors is not properly exercising its duties and powers under this Declaration. Except as provided in this Declaration, all Assessments for Common Expenses shall be assessed against all Lots equally.

#### Section 4.2 Basis of Assessments.

Common Expense Assessments may be made on an annual basis against all Lots and shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such Assessment year.

#### Section 4.3 Annual Assessment.

The budget for annual Assessments shall be submitted to the Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. The budget may be vetoed by Owners holding a majority of the total Association vote. Assessments for Common Expenses shall be due and payable in monthly, quarterly, or annual installments, or in any other manner, as determined by the Board of Directors. The omission or failure of the Board of Directors to levy the Assessment for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay.

#### Section 4.4 Special Assessments.

In addition to other authorized Assessments, the Association may levy Special Assessments from time to time to cover previously unbudgeted expenses or expenses in excess of those budgeted, including, without limitation, the costs of any construction, restoration, or unbudgeted repairs or replacements of capital improvements that are not covered by the general reserve fund. The proposed Special Assessment shall be submitted to the Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. The proposed Special Assessment may be vetoed by Owners holding a majority of the total Association vote. Special Assessments may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved. The Board shall have the right to require that Special Assessments be paid in advance of the provision of the subject services or materials.

#### Section 4.5 Supplemental Assessments.

The Association shall have the right to add to any Owner's Assessment as provided in this Article the following:

- (a) Those amounts expended by the Association for the benefit of any individual Lot or any occupant thereof, including but not limited to: improvement, repair, replacement or maintenance specific to a Lot;
- (b) Improvement, repair, replacement or maintenance caused by the negligent or willful acts of any Owner, his or her guest, employee, licensee, lessee or invitee as set forth in this Declaration;
- (c) All fines and costs assessed against an Owner pursuant to the Governing Documents; and

(d) Any other expenditures or charges which the Board, in its sole discretion, chooses to allocate to a Lot and are reasonably determined to be allocable to a particular Lot.

#### Section 4.6 Application of Payments.

All sums collected on a delinquent account referred to an attorney shall be remitted to the Association's attorney until the account is brought current. Except as otherwise required by law, all payments received on an account of any Owner or the Owner's Lot shall be applied to payment of any and all legal fees and costs (including attorney fees), expenses of enforcement and collection, late fees, returned check fees, lien fees and other costs owing or incurred with respect to such Owner pursuant to the Governing Documents, prior to application of the payment to any special or regular Assessments due or to become due with respect to such Owner.

#### Section 4.7 Effect of Non-Payment of Assessments.

(a) Any Assessment, charge or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within 90 days after the due date thereof, as established by the Board of Directors, shall bear interest at the rate established by the Board of Directors, on a per annum basis to accrue monthly from the due date, and the Association may assess a reasonable late fee thereon as determined by the Board of Directors.

(b) Failure to make payment within 90 days of the due date thereof shall cause the total amount of such Owner's Common Expense Assessment for the remainder of that fiscal year to become immediately due and payable at the option of the Board. The Board may, in its discretion, decelerate the Member's annual Assessment.

(c) Further, the Association may bring an action at law or in equity, or both, against any Owner personally obligated to pay such overdue Assessments, charges or fees, or monthly or other installments thereof, and may also proceed to foreclose its lien against such Owner's Lot. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments, charges or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving the Association's lien therefor.

(d) Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessment, charges or fees, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Lot at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, convey or otherwise deal with the same. If a foreclosure action is filed to foreclose any Assessment lien, and an Owner abandons or leaves vacant his or her Lot, the Board may take possession and rent said Lot or apply for the appointment of a receiver for the Lot without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any holder of a first lien

security interest as set forth in its deed of trust or mortgage (including any assignment of rents), to the extent permitted under the Act.

**Section 4.8    Lien Priority.**

The lien of the Association under this Section is prior to all other liens and encumbrances on a Lot except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first lien security interest on the Lot (except as allowed by the Act with regard to the limited lien priority allowed to the Association); and (3) liens for real estate taxes and other governmental assessments or charges against the Lot. This Section does not affect the priority of mechanics' or materialmen's liens. The lien of the Association under this Article is not subject to the provision of any homestead exemption as allowed under state or federal law. Sale or transfer of any Lot shall not affect the lien for said Assessments or charges except that sale or transfer of any Lot pursuant to foreclosure of any first lien security interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the lien of Assessment charges as provided by applicable state law. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any Lot from continuing liability for any Assessment charges thereafter becoming due, nor from the lien thereof.

**Section 4.9    Borrowing.**

The Association shall have the power to assign its right to future income, including the right to assign its right to receive Assessments for Common Expenses, but only upon the affirmative vote of a majority of the Owners present and voting at a meeting called for that purpose.

**ARTICLE 5       RESTRICTIONS**

**Section 5.1    Flexible Application of the Subsequent Covenants and Restrictions.**

All Lots within the Community shall be held, used and enjoyed subject to the following limitations and restrictions. The strict application of the following limitations and restrictions in any specific case may be modified or waived, in whole or in part, by the Board of Directors or by an appropriate committee (subject to approval by the Board of Directors) if such strict application would be unreasonable or unduly harsh under the circumstances. Any such modification or waiver must be in writing.

**Section 5.2    Authority.**

All provisions of the Governing Documents shall apply to Owners and their guests, tenants, invitees and licensees. Owners and their successors and assigns, by acceptance of a deed to their Lot, acknowledge that they have been given notice, and that:

Lots shall not be used for any purpose other than a residential dwelling except as set forth in this Section. Home occupations shall be allowed so long as the home occupations are incidental and secondary to the use of the Lot and do not change the residential character thereof, comply with local zoning ordinances and regulations, and comply with this Declaration. External advertising of any kind is prohibited. In no instance shall a home occupation be visible externally, nor shall any home occupation employ any person other than the Owner. For the purposes of this Declaration, occupancy by a non-rent paying roommate of an Owner who occupies the Lot as such Owner's primary residence shall not constitute leasing.

(b) Short term occupancies, leasing and rentals of Lots for less than one year, including through the use of VRBO, Airbnb, HomeAway, and other such online rental sites shall be prohibited.

(c) All leases or rental agreements shall be in writing and shall provide that the leases or rental agreements are subject to all terms of the Governing Documents. Owners are required to provide tenants with copies of the current Declaration, Articles of Incorporation, Bylaws and any Rules and Regulations of the Association.

(d) Each Owner who leases his or her Lot shall provide the Association a copy of the current lease and tenant information.

(e) Each Owner is encouraged to conduct full background checks, including credit and criminal reports, for each lease applicant.

(f) All occupancies, leases and rental agreements of Lots shall state that the failure of the tenant, lessee, renter or their guests to comply with the terms of the Governing Documents shall constitute a default of the occupancy, lease or rental agreement.

(g) Leases shall be for or of the entire Lot.

(h) All Owners who reside at a place other than the Lot shall provide to the Association an address and phone number(s) where the Owner can be reached in the case of emergency or other Association business. It is the sole responsibility of the Owner to keep this information current.

(i) Notwithstanding anything contained herein to the contrary, in the event an Owner sells their Lot, and as part of the transaction the seller and buyer enter into an agreement for the buyer to lease the property back to the seller for a period of time, the one-year minimum term set forth in Section 5.4(b) above shall not apply to such transaction.

(j) The Association shall have the authority to adopt Rules and Regulations regarding leasing, including the implementation of this restriction, and for implementation of other restrictions in the Declaration and as allowed by law.

#### Section 5.6 Maintenance of Lots and Improvements.

Owners are responsible for the maintenance, repair and replacement of the property and improvements located within their Lot boundaries. The Association, and its agents, shall have the authority, after giving the Owner 30 days written notice, to enter, replace, maintain, repair and clean up Lots which do not conform to the provisions of this Section, and to charge and collect from the Owner thereof all reasonable costs related thereto as an Assessment hereunder.

Permitted Antennas shall be installed in the least conspicuous location available on a Lot which permits acceptable signals, without unreasonable delay or increase in the cost of installation, maintenance or use of the Permitted Antenna. The Association may adopt rules regarding location and installation of Permitted Antennas, subject to limitations of applicable federal law. All communications and submittals shall be addressed to the Committee in care of the Association.

#### Section 6.7 Conditions of Approval.

In the discretion of the Board or the Committee, an Owner may be required to enter into a written agreement establishing the approval of the application in recordable form acknowledged by such Owner on behalf of himself or herself and all successors-in-interest. As a condition of approval for a requested architectural change, modification, addition or alteration, an Owner, on behalf of himself or herself and his or her successors-in-interest, affirms and shall assume, unless otherwise agreed in writing, all responsibilities for maintenance, repair, replacement and insurance to and on such change, modification, addition or alteration.

#### Section 6.8 Commencement and Completion of Construction.

The timeline for commencement and completion of any exterior change including but not limited to construction of exterior structures, painting, and landscaping will be included in the written approval issued by the Committee. If no timeline is included in the written approval issued by the Committee, work on all approved improvements should be commenced within one year from the date of approval and completed within six months of commencement. Where such timelines may not be met, it is the responsibility of the Owner to seek approval from the Committee for an extension. The Committee may require a temporary remedy for delayed projects to preserve the aesthetic of the neighborhood. Such remedies may include temporary fencing or screening, or other masking of construction materials where visible from the street.

#### Section 6.9 Variances.

The Board, upon the recommendation of the Committee, may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Declaration in order to overcome practical difficulties and unnecessary hardships arising by reason of the application of the conditions and restrictions contained in this Declaration or in architectural requirements. The reason for the variance shall be documented in writing by the Board and placed in the Association's records.

#### Section 6.10 Right to Appeal.

If the Board of Directors is not acting as the Committee, an Owner whose plans have been disapproved or conditionally approved may appeal any decision of the Committee to the Board of Directors. The Board of Directors shall review the decision of the Committee pursuant to the criteria set forth in this Article and/or the architectural requirements. Any decision of the Committee may be overruled and reversed on appeal by a majority of the directors by a written decision setting forth the reasons for the reversal when the directors conclude that the Committee's decision was inconsistent with the criteria set forth in this Article and the requirements.

#### Section 6.11 Waivers.

The approval or consent of the Committee, or appointed representative thereof, to any application for architectural approval shall not be deemed to constitute a waiver of any right to hold or deny approval or consent by the Committee as to any application or other matters subsequently or additionally submitted for approval or consent.

#### Section 6.12 Liability.

The Committee and the members thereof, as well as any representative of the Board designated to act on its behalf, shall not be liable in damages to any person submitting requests for approval or for any approval, or failure to approve or disapprove in regard to any matter within its jurisdiction under these covenants. Neither the Board nor the Committee shall bear any responsibility for ensuring the design, quality, structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes, zoning regulations and other governmental requirements. The Association will not make any investigation into title, ownership, easements, rights-of-way, or other rights appurtenant to Property with respect to architectural requests and shall not be liable for any disputes relating to the same.

#### Section 6.13 Enforcement.

Enforcement of these covenants, restrictions, charges and other provisions, as amended, may be by any proceeding at law or in equity against any person or persons violating or attempting to violate any such provision. The Association shall have the right, but not the obligation, to institute, maintain and prosecute any such proceedings. In any action instituted or maintained under this Section, the Association may be entitled to recover its costs and reasonable attorney fees incurred pursuant thereto, as well as any and all other sums awarded by the court. Failure of the Association to enforce any covenant or restriction contained in this Section shall in no event be

deemed a waiver of the right to do so thereafter. In addition, or in the alternative, the Association shall have all other enforcement rights as set forth in this Declaration.

## **ARTICLE 7      INSURANCE/CONDEMNATION**

### **Section 7.1      Insurance on the Lots.**

### **Section 7.2      Insurance to be Carried by the Association.**

The Association shall obtain and maintain in full force and effect, to the extent reasonably available and at all times, the insurance coverage set forth in this Declaration and as set forth in the Act, which insurance coverage shall include the following terms and shall be provided by financially responsible and able companies duly authorized to do business in the State of Colorado.

### **Section 7.3      Hazard Insurance on Common Area.**

The Association shall obtain hazard insurance covering loss, damage or destruction by fire or other casualty to any insurable improvements installed or made to any Common Area and the other property of the Association.

### **Section 7.4      Association Liability Insurance.**

The Association shall obtain public liability and property damage liability insurance covering any Common Area, in such limits as the Board may determine from time to time, and in all cases covering all claims for bodily injury or property damage. Coverage shall include, without limitation, liability for personal injuries and operation of automobiles on behalf of the Association.

### **Section 7.5      Association Fidelity Insurance.**

The Association shall obtain fidelity coverage or fidelity bonds to protect against dishonest acts on the parts of its officers, directors, trustees and employees and on the part of all others who handle or are responsible for handling the funds of the Association, including persons who serve the Association with or without compensation. The fidelity coverage or bonds should be in an amount sufficient to cover the maximum funds that will be in the control of the Association, its officers, directors, trustees and employees, as required by law.

### **Section 7.6      Association Worker's Compensation and Employer's Liability Insurance.**

The Association shall obtain worker's compensation and employer's liability insurance and all other similar insurance with respect to employees, if any, in the amounts and forms as may now or hereafter be required by law.

Section 7.7 Directors' and Officers' Personal Liability Insurance.

The Association shall obtain directors' and officers' personal liability insurance to protect the officers, directors, committee members and any person acting at the discretion of the Board from personal liability in relation to their duties and responsibilities in acting as officers and directors on behalf of the Association.

Section 7.8 Miscellaneous Terms Governing Insurance Carried by the Association.

The Association shall maintain, to the extent reasonably available, insurance policies with the following terms or provisions:

- (a) All policies of insurance shall provide that each Owner is an insured under the policy with respect to liability arising out of such Owner's membership in the Association.
- (b) All policies of insurance shall contain waivers of subrogation against any Owner or member of his or her household.
- (c) All policies of insurance shall contain waivers of subrogation and waivers of any defense based on invalidity arising from any acts of an Owner and shall provide that such policies may not be canceled or modified without prior written notice to all of the Owners as provided by Colorado law and to the Association.
- (d) If requested, duplicate originals of all policies and renewals thereof, together with proof of payments of premiums, shall be delivered to all holders of first lien security interests at least 10 days prior to the expiration of the then-current policies.
- (e) All liability insurance shall name the Association, the Board, the manager or managing agent, if any, the officers of the Association, holders of first lien security interests, their successors and assigns and Owners as insureds.
- (f) Prior to the Association obtaining any blanket policy of casualty insurance on any Common Area, the Board may obtain an appraisal from a duly qualified real estate or insurance appraiser, which appraiser shall reasonably estimate the full replacement value of any Common Area and any improvements thereon, without deduction for depreciation, and/or consider other factors, for the purpose of determining the amount of the insurance to be effected pursuant to the provisions hereof. In the event the Association obtains casualty insurance on the Lots, then in no event shall that casualty insurance policy contain a co-insurance clause.
- (g) All policies of insurance of the Association shall be primary, providing the primary insurance of the loss, if there is other insurance in the name of the Owner.
- (h) All policies of insurance shall provide that the insurance thereunder shall not be invalidated, suspended, voidable or have any condition of recovery due to an act or omission by any Owner.

Section 7.9 Other Association Insurance.

The Association may obtain insurance against such other risks, of similar or dissimilar nature, including flood insurance, as it shall deem appropriate with respect to the Association responsibilities and duties.

Section 7.10 Insurance Premium.

Insurance premiums for insurance provided by the Association shall be a Common Expense to be included as a part of the annual Assessments levied by the Association.

Section 7.11 Annual Insurance Review.

The Board shall review the insurance carried by and on behalf of the Association at least annually, for the purpose of determining the amount of insurance required.

Section 7.12 Adjustments by the Association.

Any loss covered by an insurance policy described above shall be adjusted by the Association, and the insurance proceeds for that loss shall be payable to the Association and not to any holder of a first lien security interest. The Association shall hold any insurance proceeds in trust for the Association, Owners and holders of first lien security interests as their interests may appear. The proceeds must be distributed first for the repair or restoration of the damaged property, and the Association is not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored.

Section 7.13 Duty to Repair.

Any portion of the Community for which the Association is required to insure under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association, except as provided in the Act.

Section 7.14 Condemnation and Hazard Insurance Allocations and Distributions.

In the event of a distribution of condemnation proceeds or hazard insurance proceeds to the Owners, the distribution shall be as the parties with interests and rights are determined or allocated by record and pursuant to the Act.

Section 7.15 Responsibility for Payment of Deductible Amount.

Whether the Board, in its discretion, chooses to submit a claim under the Association insurance policies or not, the Association shall pay or absorb the deductible amount for any work, repairs or reconstruction for damage to Common Area or other property insured by the Association unless the damage is caused by the negligent or willful act or omission of an Owner, his family,

guests, renters, or invitees, in which case the Association shall seek reimbursement of the deductible amount in compliance with and under the terms of the Declaration.

#### Section 7.16 Insurance Assessments.

If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair due to deductibles allocated to the Association or failure of the Association to maintain coverage to defray costs of repair and reconstruction which in the absence of insurance would be the maintenance responsibility of the Association, the deductible or additional cost shall be a Common Expense. Notwithstanding the Special Assessment procedure set forth this Declaration, the insurance Assessment shall be ratified unless vetoed by Members holding at least 90% of the total votes entitled to be cast in the Association pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time.

#### Section 7.17 Damage to or Destruction on Lots.

In the event of damage to or destruction of structures or improvements on a Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure and improvements in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration, unless a determination not to rebuild is made by the Owner in cases of substantial damage or destruction. If the structure is substantially destroyed and a determination is made not to rebuild or to reconstruct, the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction, and, thereafter, the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with this Declaration.

### **ARTICLE 8      GENERAL PROVISIONS**

#### Section 8.1 Compliance and Enforcement.

- (a) Every Owner and occupant of a Lot shall comply with the Governing Documents, and each Owner shall have the right to enforce the covenants and restrictions, as set forth in this Declaration.
- (b) The Association may enforce all applicable provisions of this Declaration, and may impose sanctions for violation of the Governing Documents. Such sanctions may include, without limitation:
  - (i) imposing reasonable monetary fines, after notice and opportunity for a hearing, which fine shall constitute a lien upon the violator's Lot;
  - (ii) suspending the right to vote and the right to use Common Area;
  - (iii) exercising self-help (including, but not limited to, performing such maintenance responsibilities which are the Owner's responsibility under this Declaration and assessing all costs incurred by the Association against the Lot and the Owner as an Assessment) or taking action to abate any violation of the Governing Documents;

(iv) requiring an Owner, at the Owner's expense, to remove any structure or improvement on such Owner's Lot in violation of the Governing Documents and to restore the Lot to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed, at the Owner's expense, and any such action shall not be deemed a trespass, with all fees and costs in connection with such removal and restoration to be assessed to the Owner as an Assessment under the terms of this Declaration;

(v) levying specific Assessments to cover costs incurred by the Association to bring a Lot into compliance with the Governing Documents; and

(vi) bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both.

(c) In addition to any other enforcement rights, if an Owner fails to properly perform his or her maintenance responsibility, or otherwise fails to comply with the Governing Documents, the Association may record a notice of violation against the Owner and the Lot.

(d) All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the Governing Documents, the prevailing party shall be entitled to recover all costs, including, without limitation, attorney fees and court costs, reasonably incurred in such action.

(e) The decision of the Association to pursue enforcement action in any particular case shall be left to the Board's discretion, subject to the duty to exercise judgment and be reasonable, as provided for in this Declaration, and further restricted in that the Board shall not be arbitrary or capricious in taking enforcement action. A decision of the Association to pursue enforcement action shall not be construed as a waiver of the Association's right to enforce such provisions at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction or rule.

## Section 8.2 Attorney Fees.

If an Owner fails to pay any Assessment as provided in this Declaration, the Association may require reimbursement for reasonable attorney fees and costs without the necessity of commencing a legal proceeding. If an Owner or an Owner's family member, guest, tenant, invitee or licensee fails to comply with any other provision of the Governing Documents, the Association may seek reimbursement for reasonable attorney fees and costs incurred as a result of such failure to comply, without the necessity of commencing a legal proceeding. In a legal proceeding in any way related to the Governing Documents or the Community, the court shall award to the party prevailing on each claim the prevailing party's reasonable attorney fees and costs incurred in asserting or defending the claim. Such reasonable attorney fees and costs, if awarded against an Owner shall be charged as an Assessment and shall constitute a lien against the Lot.

Section 8.3    Severability.

Each of the provisions of this Declaration shall be deemed independent and severable. If any provision of this Declaration or the application thereof to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications of this Declaration which can be given effect without the invalid provisions or applications.

Section 8.4    Term of Declaration.

The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity.

Section 8.5    Amendment of Declaration by Owners.

Any provision, covenant, condition, restriction or equitable servitude contained in this Declaration may be amended, revised, removed or repealed, and new provisions, covenants, conditions, restrictions or equitable servitudes may be added, at any time and from time to time upon approval of Members holding more than 50% of the total votes in the Association (except where a higher percentage is required by law) and with the written consent of the Association. Notice of any meeting at which a proposed amendment will be considered shall state the fact of consideration and the subject matter of the proposed amendment. The amendment or repeal shall be effective upon the recordation in the office of the Clerk and Recorder of Boulder County of a certificate setting forth the amendment in full and certifying that the amendment has been approved as set forth above, and containing the written consent and approval of the Association.

Section 8.6    Captions.

All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise affect that which is set forth in any paragraph, section or article hereof.

Section 8.7    Interpretation.

The provisions of this Declaration shall be construed to effectuate their purposes of creating a uniform plan for promoting and effectuating the fundamental concepts as set forth in this Declaration. The Board of Directors shall have the authority to interpret the meaning of any provision contained in this Declaration. This Declaration shall be construed and governed under the laws of the State of Colorado.

Section 8.8    Singular Includes the Plural.

Unless the context otherwise requires, the singular shall include the plural, and the plural shall include the singular, and each gender referral shall be deemed to include the masculine, feminine and neuter.

All challenges to the validity of this amendment or any future amendments must be made within one year after the date of recording of this document. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity.

Any forbearance or failure to enforce any provisions of this Declaration shall not operate as a waiver of any such provision or of any other provision of this Declaration or of any subsequent enforcement of such provision.

In case of conflict between this Declaration and the Articles or Bylaws, this Declaration shall control. In the case of conflict between the Articles and Bylaws, the Articles shall control.

The undersigned, being the president and the Secretary of Creekside I Homeowners' Association., hereby certify that the Association has obtained approval of this Declaration from the requisite Owners within each Filing, separately. Approvals obtained shall remain in effect until this Declaration is approved unless approval is expressly revoked in writing.
