6.3 **Prohibited Activities.** No noxious or offensive activity shall be carried on upon any Common Area, nor shall anything be done thereon which would become an annoyance or nuisance to the neighborhood.

6.4 **Maintenance.** The Association shall improve, develop, supervise, manage, operate, examine, inspect, care for, repair, replace, restore and maintain the Common Area as from time to time improved, together with any items of personal property placed or installed thereon, all at its own cost and expense.

All such terms, conditions, provisions, rules and regulations shall inure to the benefit of and be enforceable by the Association and the Declarant, or either of them, their respective successors and assigns, against any Owner, or any other person who violates or attempts to violate same, either by an action at law for damages or a suit in equity to enjoin a breach or violation or to enforce performance of any term, condition, provision, rule or regulation. 7.1 Use of Common Area. Each Owner shall have the right and easement to use and enjoyment in the Common Area for which the were designed. This right and easement shall be appurtenant to and shall pass with the title to each Lot, subject to the following provisions:

- a. The right of the Association to adopt and enforce rules and regulations for the use of the Common Area.
- b. The right of the Association to charge reasonable admission and other fees for the use of any facility owned or rented by the Association and situated upon the Common Area;
- c. The right of the Association to suspend the voting rights and right to use of the facilities owned or rented by the Association by an Owner for any period during which any assessment against his Lot remains unpaid, or for a period not to exceed sixty days for any infraction of the Association's published rules and regulations;

three persons. All of the members of the Committee shall be appointed by Declarant so long as the Declarant retains its Class B membership in the Association. Upon termination of the Declarant's Class B membership, the members of the Committee shall be appointed by the Board of Directors of the Association. As long as this Declaration remains in full force and effect, the Committee shall be constituted and shall perform the duties imposed on it hereby. The decision of a majority of the Committee members shall be the decision of the Committee. The Committee may designate a representative to act on its behalf and may employ consultants to assist in the performance of its functions. Committee members shall be entitled to compensation for services performed pursuant to this Declaration. The Committee shall have the right to impose a reasonable fee for the committees review of plans and specifications submitted to it for approval in accordance with the provisions of this Declaration.

8.2 Design Guidelines. No dwelling or other improvements shall be constructed, erected, placed, maintained or permitted on any Lot or on the Common Area, nor shall any construction or excavation be commenced unless and until plans and specifications with respect thereto have been submitted to and approved in writing by the Architectural Control Committee in accordance with the Design Guidelines set forth in Exhibit A attached hereto and incorporated herein by reference. The Design Guidelines shall govern the review and approval process and shall apply to each and every Lot subject to this Declaration.

8.3 Liability and Enforcement. Neither the Committee nor the Declarant, nor their respective successors or assigns, shall be liable in damages to anyone submitting plans to the Committee for approval, or to any Owner affected by this Declaration, by reason of a mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval for failure to approve any plans and specification. Every Owner or other person who submits plans to the Committee agrees, by submission of such plans and specifications, that he will not bring any action or suit against the Committee, its members, representatives or consultants, or the Declarant to recover any such damages. Approval by the Committee shall not be deemed to constitute compliance with the requirements of any building codes and it shall be the responsibility of the Owner or the person submitting plans to the Committee to insure compliance therewith. Until termination of its Class B membership in the Association, the Declarant, in its own name and on behalf of the Committee, shall have the right to enforce the provisions of this paragraph 8. Thereafter, the Association, in its own name and on behalf of the Committee shall have the right to enforce the provisions of this paragraph 8.

9. ASSESSMENTS.

9.1 Covenant for Assessments. The Declarant and each Owner of any Lot, by acceptance of a deed therefore, hereby covenants and agrees to pay the assessments imposed by the Board of Directors of the Association in accordance with the terms of this Declaration.

9.2 Purpose and Use of Annual Assessment. The assessments and charges levied by the Association shall be used exclusively for promoting the recreation, health, safety and welfare of the residents of the property and in particular for the improvement, operation and maintenance of the Common Area and for the conduct of the Association's business and fulfillment of the Association's rights and obligations. The annual assessment made by the Association shall be based on the aggregate cash requirement of the Association as determined by the Board of Directors. The purpose of the annual assessment is to provide for the payment of all expenses incurred by the Association. This sum may include, among other things, the following: expenses of management; insurance premiums, including fire insurance with extended coverage, vandalism and malicious mischief insurance with endorsement attached issued in the amount of the

maximum replacement value of all of the property owned by the Association or for which it is responsible, casualty and public liability insurance; construction of improvements or other facilities; landscaping and ground care expenses; common lighting; repairs and renovations; wages; utility charges; legal and accounting fees; expenses and liabilities incurred by the Board of Directors under or by reason of this Declaration; the payment of any deficit remaining from a previous period; the creation of a reasonable contingency or other reserve or surplus fund; the cost of improvements authorized by the Board of Directors; as well as other costs and expenses relating to the property or other facilities owned by, leased by or under the control of the Association. The omission or failure of the Board to fix the assessments for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay the assessments when they are made. The annual assessment shall be fixed at a uniform rate for all Lots except those Lots owned by the Association, which shall be exempt from assessment, and except those Lots leased by the Association, the assessment of which shall be governed by the terms of the Lease. The Board of Directors of the Association shall prepare and deliver or mail to each member an itemized statement showing the receipts and disbursements of the Association for the previous calendar year and an itemized budget of the estimated cash requirements and projected disbursement of the Association for the following calendar year. The Board of Directors shall notify each member of the amount and due date of the annual assessment. The annual assessment shall be prorated if the ownership of a Lot commences on a day other than the first day of an assessment.

9.3 Special Assessments. In addition to the annual assessments authorized above, the Board of Directors of the Association may levy, from time to time, a special assessment for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of any capital improvements located on any Common Area, including fixtures and personal property related thereto, or to provide for costs incurred by the association by virtue of unforeseen emergencies. Special assessments may also be assessed against specific lots to recover costs incurred by the Association in curing an Owner's violation of these Covenants.

9.4 Lien for Nonpayment of Assessments. All sums assessed but unpaid for the expenses chargeable to any Lot, including interest thereon as fixed by the Board of Directors of the Association (but not to exceed 18 percent per annum) shall constitute a lien on such Lot superior to all other liens and encumbrances except:

- a. Tax and special assessment liens in favor of any governmental, quasi-governmental or statutorily authorized assessing authority; and
- b. All sums unpaid on a first mortgage or first Deed of Trust of record, including additional advances made thereon prior to attachment of the assessment lien. The sale or transfer of any Lot pursuant to a Deed of Trust foreclosure or any proceeding in lieu thereof shall not relieve the Owner from liability for any assessments due prior thereto or thereafter becoming due during the period of foreclosure.

To evidence such lien, the Board of Directors of the Association may, but shall not be required to, prepare a written notice setting forth the amount of such unpaid indebtedness, the name of the Owner of the Lot and a description of the Lot. The notice of lien shall be signed by the Treasurer of the Association or by one of the members of the Board of Directors and may be recorded in the office of the Clerk and Recorder of the County of Boulder, State of Colorado. A lien for unpaid assessments shall attach on the date of default in payment of the assessment, and may be enforced by foreclosure on the defaulting Owner's Lot by the Association in a like manner as a mortgage or a

Deed of Trust on real property upon the recording of a notice or claim thereof. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, the costs and expenses for filing the notice or claim of lien and all reasonable attorneys' fees. The Association shall have the power to bid on the Lot at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

9.5 Personal Liability of Member. The amount of any annual or special assessment assessed against each Lot, together with the costs and expenses of collection, including attorneys' fees, shall be a personal debt of the Owner or Member arising at the time the assessment is made. No Owner or Member may exempt himself from liability or an assessment by abandonment of his Lot, non-use of any Common Area or by any other act other than by lease of his Lot to the Association, in which case the terms of the lease relating to assessment shall govern liability for payment. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by the successor. The Association may sue to recover a money judgment for unpaid assessments without foreclosing or waiving the lien securing the assessment obligation.

9.6 Payment by Lienholder. Any person or entity holding a lien on a Lot may pay any unpaid assessment payable with respect to such Lot, and upon payment such person or entity shall have a lien on Lot of the same rank as the lien of his encumbrance for the amount paid.

9.7 Date of Commencement of Assessments. The assessments provided for herein shall commence when assessments are imposed by the Board of Directors of the Association. The Board of Directors of the Association shall fix the date of commencement and the amount of the annual assessment against each Lot for each assessment period at least one month in advance of the due date for payment thereof. At the time of assessment, the Board of Directors shall prepare a roster of the Lots and the assessments applicable thereto, which shall be kept in the office of the Association and shall be open to inspection by any Owner. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

10. DURATION OF RESTRICTIONS. The covenants, conditions and restrictions contained in this Declaration are covenants running with the land and shall remain in full force and effect for twenty-five (25) years from the date hereof, at which time they shall automatically extend for successive periods of ten years each, unless, prior to the expiration of the then current term, a written instrument is executed by the then Owners of seventy-five per cent (75%) of the Lots stating that this Declaration shall expire at the end of the then current term.

11. BINDING EFFECT. Each Owner of any Lot, by acceptance of a Deed conveying any of the Lots, shall accept title thereto upon and subject to each and all of the restrictions, conditions, covenants and agreements herein contained, and by acceptance, shall for himself, his heirs, personal representative, successors and assigns, covenant, agree and consent to these Covenants and agrees to keep, observe, comply with and perform said restrictions, conditions, covenants and agreements. These Covenants are intended and imposed for the direct, mutual and reciprocal benefit of each and all of said Lots and the Owners thereof, and to create mutual and equitable servitude upon each of said Lots in favor of each other Lot, and reciprocal rights and obligations and privity of contract and estate between the Grantees of said Lots, and their respective heirs, successors and assigns.

12. WAIVER. Any variance, waiver or release of these conditions and restrictions granted by the Committee, or any acquiescence or failure of the Committee to enforce any violation of the conditions and restrictions herein, shall not be deemed to be a waiver of any of the conditions and restrictions in

any other instance. The Committee may, by its signed written instrument, waive, release or vary any provision of the within protective covenants as they pertain to any part or all of the Lots encumbered, which waiver, release or variance shall be effective as to all parties otherwise entitled to enforce the within protective covenants. No member of the Committee shall have any liability whatsoever to any Owner or other party aggrieved or injured on account of the grant of such release, waiver or variance. In return for such waiver, release or variance, the Committee may impose upon the Owner and the Lot involved such additional or altered covenants as the Committee deems proper and appropriate in the circumstances. Each Owner agrees, by accepting title or any interest in any Lot, that Declarant, its employees or agents, and each member of the Committee, shall be immune from suit or liability in accordance with the foregoing.

13. **SEVERABILITY.** In the event that any one or more of the provisions, conditions, restrictions, limitations and covenants herein set forth shall be held by any court of competent jurisdiction to be null and void, all remaining provisions, conditions, restrictions, limitations and covenants as herein set forth shall continue unimpaired and in full force and effect.

14. **ENFORCEMENT. COMPLIANCE WITH PROVISIONS OF DECLARATION AND RULES OF ASSOCIATION - ENFORCEMENT.** Each Owner and/or Member shall comply strictly with the provisions of this Declaration and the provisions of the Articles of Incorporation and Bylaws of the Association and the decisions and resolutions of the Association adopted pursuant thereto as the same may be lawfully amended from time to time. Failure so to comply shall be grounds for an action against the noncomplying Owner or Member to recover sums due and for damages or injunctive relief or both. The Action shall be maintainable by the Board of Directors in the name of the Association on behalf of the Owners or, in a proper case, by an aggrieved Owner. The noncomplying Owner or Member shall pay the reasonable attorneys of the Association or of the aggrieved Owner. Failure by the Association or by any Owner to enforce any covenant or restriction contained in this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

15. **AMENDMENT.** This Declaration and the Design Guidelines may be amended by written amendment approved by the Association executed by its President and attested to by its secretary. Any amendment shall be recorded in the office of the Clerk and Recorder of Boulder County, Colorado.

16. **NUMBER, GENDER AND CAPITALIZATION.** Whenever used herein, unless the context indicates otherwise, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders. Words defined in paragraph 3 shall be interpreted as defined, whether capitalized or not, unless the context indicates a different meaning.
